### **Paul Liptak joins DPT Laboratories as new Business Development Manager**

**SAN ANTONIO (May 22, 2009) – [DPT Laboratories](#)**  
announced today that Paul Liptak has joined the  
company as its newest Business Development Manager.

With more than 20 years of management experience in  
the pharmaceutical and packaging industries, Liptak was  
most recently with Contract Pharmaceuticals Limited  
(CPL) where he oversaw business development in the  
United States.

“Liptak brings strong business growth and management  
skills to DPT’s team,” said Paul Josephs, DPT’s vice  
president of sales and commercial operations. “His experience will enhance  
DPT’s strong sales team - a team that has helped develop DPT’s dominance in  
the contract development and manufacturing industry. With our growing sales  
force, DPT is poised for a strong future.”

Liptak graduated from State University of New York at Buffalo with a Bachelor of  
Science degree in finance and received an MBA at Canisius College. He spent  
eight years with Bristol-Myers Squibb in various management positions and  
twelve years in the packaging industry, where he held the title of vice president of  
operations.
